Blessings Prince of Peace Family!

I want to first thank everyone for the amazing sentiment expressed in the basket of cards and gifts given to Pastor Campbell, Pastor Schonberg, and me for our Marty's Party luncheon. I think I can speak for all three of us when I say we are truly grateful for each and everyone of you and the support you have shown us and the church.

Through God's guidance our small resilient congregation has shown a great ability to keep forging ahead. It is not done without great leadership and volunteers. Annette and Denise kept and continue to keep us steady through our administrative boards. Make sure you go see the meeting room if you want to see what can be accomplished. Thank you Annette and all that helped get that done. If you want to see more examples of the power that we have as a congregation, just take a look at the gift auction. What the volunteers did to make that happen was a great show of unity when we come together to do work as God's people. Nothing hard is accomplished without some mud on the road but when you can overcome it, the success is even greater.

As we are stabilizing in our worship service to God and through guidance from Pastor Schonberg and Pastor Campbell, we are starting to bring back some aspects to worship which were lost during the pandemic. I am truly excited for what lies ahead especially as we venture towards Thanksgiving and Christmas. During Advent we will be doing a Bible study on the true story of Christmas, and this will be guided by Pastor Schonberg. Through November we will continue through our study of 2 Samuel and The Gospel according to John. If you have not come to a Bible Study, I implore you to come, it is a great time of learning and fellowship.

One last thing, there have been a few visitors in the church recently. Many times, they leave before I have a chance to speak with them. If you see someone that you do not recognize or you think might be visiting, please make sure they feel welcome. Just a hi and a smile can go a long way to help someone feel welcome. Let's make sure the love of Christ is displayed in our church home.

May the Peace of the Lord be with you all!!!

In His Service,
Vicar Brandon

POP Gift Auction October 10, 226

With God's blessings and provision, we had another successful gift auction this year!! As Thanksgiving is approaching, it is a perfect opportunity to express how grateful we all are for the support of this congregation with their donations. Many of you donated items, baskets, money, and/or your time to solicit local businesses. Our gift auction committee volunteers spent endless hours ensuring that prizes were wrapped, our room and gift display was set-up and ticket sales were prepared and manned for the week prior. Thank you all so very much! Please know that each and every one of you are truly appreciated.

Our total earnings this year is $6630.00! Although it is approximately $1000 less than in 2025, overall it was a success. The raffle tickets sales were $5765.00. Our candy bar sales brought in $430.00. The 50/50 brought in $830.00. The church donated $415.00 to Nick Serzan, who is a young man in our community. He suffered a sudden brain hemorrhage. After many months in the hospital and rehab, Nick is now home. He remains immobile, on a feeding tube, and requires constant care. The money will help his family with excessive medical care bills as we continue to keep them in our prayers.

To promote our community outreach, 352 items were collected to assist with filling the shelves in The Helping Hand Food Pantry which was awesome and 100 more than last year! An additional $20 was obtained for our pantry through Free Will donations on the day of the event.

Once again, I would like to express my gratitude for everyone's support.

Blessings,

Sharon Jones
